Imara XDR Impatiens
Impatiens walleriana

Even under extreme natural IDM pressure, Imara XDR provides season long color in the garden.

- The first Impatiens walleriana with a high degree of resistance to downy mildew.¹
- Proven landscape performance that fights back with reliable flowering all season long.
- Revive your impatiens sales with this easy and economical to produce series, ideal for high density growing in packs and pots.

¹Confirmed in independent trials in North America and Europe including trials in 2017 and 2018 at Cornell University's Long Island Horticultural Research & Extension Center.
