

# Pick a Pepper!

Vegetalis® offers both small space and traditional garden peppers from sweet to intensely hot. All will perform equally well in packs, pints, and quarts as garden transplants. For consumers wishing for a “one and done” experience, Vegetalis has multiple options for these high demand specialty container programs.

## Basket Program

Peppers that have ornamental beauty in addition to culinary purpose.

Basket of Fire—Hot

Mohawk—Sweet

Cayennetta—Hot

## Cage Program

Determinate habits that will stay proportional in size to the container with cage at maturity.

Liberty Belle—Sweet

Redskin—Sweet

Apache—Hot

# Pick a Pepper!

Many consumers prefer to select their pepper varieties by fruit characteristics, culinary purpose or intensity of heat. Intensity of heat varies at the stage of maturity the fruit is harvested. For milder flavor pick green, for full-on flavor harvest at the varieties mature color—orange, red, purple, or black.
